Bully android download apkpure

Android 8.0 + Version: 1.0.0.18 2028.8Mb Go to Download Updated to version 1.0.0.18! Bully Anniversary Edition (MOD, Unlimited Money) - this game takes you into one of the worst schools, your hero 15-year-old Jimmy Hopkins, who just this and learn. There is a large and open world that is constantly changing. You can do whatever you want, go to class or not go to you, but it is worth noting that the lessons of the game pretty interesting, for example in biology class you dissect a frog and solve many interesting puzzles and tasks. Become a model pupil or malicious bully who always plays the teachers up to you, but do not forget about a certificate that you receive after graduation up to you, no, cost and without any clashes with bullies, from which it is necessary at first to run and hide. And if you still caught then you have a unique chance to take revenge on them, Come out, not every tree and stir training, shooting from his slingshot. Long story Bully mod apk and interesting gameplay won more than 50 million players around the world, join them! Updated to version 1.0.0.18!
