During these unprecedented times, it is normal to feel a degree of concern or anxiety. Our mentors are working hard to help offer support and orientation to those who deal with the new changes caused by current circumstances. As a company, we have implemented changes to the way we work to allow us to continue to offer our services to the needy ones. We will offer a range of services available online using video conferencing. Click the buttons below to learn more or contact us on the form below. The webinars are the possibility of taking part in a group LED discussion, facilitated by one of our trained mentors. The tests show that people work better at work when they are in a good place. We offer a wide range of business services, including executive coaching and workshops, adapted to your organization. The troop is an online platform to develop and learn new abilities and learn more about who you are. We are currently offering free subscription to the troop until 31 December 2020. Our skills for the Mind-Mind-Management program have been developed to help people get an in-depth vision of their mind using the model of chimpanzÄ ©. We deliver this program of 8-workshop to a series of organizations, from small businesses to large-scale organizations, including NHS staff and school teachers. We are currently working in collaboration with Rotherham Doncaster and South Humber NHS Foundation Trust (Rdash) on a first of its kind of research study that focuses on wellness staff through the lens of the chimpanzÄ © model. We optimize the performance of the whole school working with school leaders, leadership teams, staff, children and young people. Working with you to establish your transparent goals, we will adapt to a program to meet your needs. Our approach is unique in helping you develop practical and emotional ability.
