What is the future for my anime of the Hero Academy? My hero Academia Manga is still in progress and is very ahead of the anime, so some content still have to be adapted. With only six episodes left in the anime and in the At the destination, War Arc liberation has just begun, then we still expect to see much more than in the anime. But it will probably be for future episodes of the anime that will come with more seasons than the anime that will be adapted. For now, we do not go in detail in the territory of the manga. But after my hero academia season 5, then we still expect another season to follow because the whole action cannot be fully adopted in the remaining episodes of the season 5. Further information on the future of the anime will be revealed at the end of the season As soon as possible. It would only be a matter of time for the soul to announce a new season in case the season ends, and there would be no announcements. Usually, the anime returns with a new season within a year or two after the end of his last season. ends.
