Buying a Gameboy Advanced, Gameboy Color, and Nintendo DS game console can be expensive. We thank the developers responsible for creating these applications. Pokemon Blazed Glazed is a hack-by-hack version of Pokemon. Why am I saying this? Well, because it's hacked from another hack. Its author tudou on PokeCommunity got permission, Tudo immediately set about creating his own hacker. Oddities. By playing this hack, players will have a fun, challenging and above all fair experience. The author has added many improvements over the original Pokemon Glazed Hack. For example: Many new moves from IV - Gen VI. This makes the players' combat strategies more attractive. Change Pokémon by Stat - Movepool - Type. It is also Wild distributions and new Pokémon. Some maps have been changed. Steel-type Pokémon are no longer immune to Shadow and Ghost. The Hidden Power move has a base power of 60, this comes from the Gen VI mechanic. You can use Eevee to evolve into multiple forms: Defense - Attack - Water - Fire - Sun - Moon. Just use the right stones. Running through the Northcoast town and Palmtree resort, the Mudkips are the leaders of the movement. Pikachu's scarf has much better stats than before. New movements are also being explored. Three regions to explore: Tunod, Johto, Rancor. Screenshots Trailers Pokemon Blazed Glazed Download Note.
