BlueStacks works as the classic Android interface. Instead of using tactile gestures, this virtual motorway is controlled with the mouse and keyboard. First, you must install the Bluesacks software on your computer or port computer: download BlueStacksAfter Bluesacks, you must now download the APK file from Scanner: click hereOpen the Bluesacks app already installed on your PC / Laptop. In the toolbar on the left corner, you will find an option of Add APK. Upload the APK file using the Bluesacks option. Click on that.You will be asked about the location where you saved the downloaded APK. In my case, I saved it on the desk, so I'm selecting that.Now you'll automatically install the application on Bluesacks. You'll find the Scanner in the application tab on the main screen of the Bluesacks window.Now, you're all ready to use Scan on the PC. Here is the Scanner that runs with success on my PC after installing and clicking on the app.How to install it Scan for PC with Nox App PlayerNox App Player is a computer program that takes care of emulating an Android environment so that the user can play any game of the Play Store without using a device. It is very helpful for those users who have a device they prefer to take advantage of the power of your computer in the best Android games. First, you should download the Nox App Player - click on the software to start installing on your computer/portable computer.Now, download the APK file here.After installing, open the NOX player. In the right corner of the toolbox, you will find an option of 'Add APK'. Click on that option.Select Don't show again and click on yourself. You must choose the APK from the downloaded location. As I kept it on the desk, I choose from there. (If your downloaded file is in the Downloads area, select .APK from there)Nox will automatically install the app. Open it from the start screen of the Nox app player.Then you will be asked if you want to change your location of 'Mundial' to any particular location. Now, you're ready to use the app with some pre-existing web links integrated into the app.Note: Use ESCAPE to return to the home screen or you can use the symbols to operate Scan on PC NOX app player.1,0 from 5 - 1 votesDownload ESCELLE
