The Z Fold2 feels sturdier than the original, too, thanks to the addition of ultra-thin glass on the inner screen. You won't have to wait in line for anything, and you may be able to enjoy the pool or hot tub all to yourself. The same is true for justifying the purchase of an expensive phone if you actually use it for a broad range of tasks. Check out your favorite cruise line and see what specials they're running, and see if you qualify for a return cruisers' discount. The 5G smartphone comes with a rear triple-camera that gives professional photographers something to truly get excited about. Like most of the hottest phones of the year, the OnePlus 8 Pro made the leap to 5G capability and tacked on plenty of extra perks to further add to the appeal. Best Phone for Photographers Sony's website is currently offering sneak peeks of its upcoming Xperia Pro, and if you love shooting video, you'll want to pay attention to this one. An evening in a specialty dining restaurant on the ship can be the capstone to an exciting and fun vacation at sea. Fortunately, that slowdown only pushed back Apple's typical September release dates about two months — and on November 13 buyers finally gained access to the latest in Apple's flagship lineup. The full-size 12 — there's also a 12 Mini that's designed for easier one-handed use — provides up to 17 hours of video playback, 11 hours of streaming playback and 65 hours of audio playback. Here's some advice on how to make your next cruise the best one yet. Take Advantage of Deals. Cruises can be expensive, but you can save money if you're willing to look for deals. Best Phone for Extended Battery Life Obviously, 2020 hasn't exactly been a "business as usual" type of year, so it shouldn't come as a surprise that Apple initially announced the debut of the iPhone 12 would be delayed. The high-capacity 4510mAh battery offers both warp plug-in and wireless charging. Samsung released its much-anticipated Galaxy Z Fold2 in mid-September — and is it ever revolutionary. When you have to pay for cocktails, you can rack up quite the tab. Not only does it allow you to take notes on your screen, but it puts in some extra effort to straighten out your writing, allowing you to hastily scribble to your heart's content. In short, if video is your thing, then this is definitely a smartphone you won't mind waiting for. Championed by Samsung as the ultimate "power phone," the Note 20 series certainly brings a lot to the table. Photo Courtesy: Samsung This version of the Galaxy Note may be of particular interest to gamers, thanks to an attachable controller that lets you play your favorite Xbox games right on your phone screen. You may find a new favorite ship or route, or you may find a price that you can't resist. Think of the ship as your own personal playground if you skip one port day. Splurge a Little. If you've been on multiple cruises, you should consider making your next cruise an unforgettable experience by splurging just a little. You also need to make sure the phone you want can be used with your preferred carrier. You may discover a new favorite place to visit. Have Some Fun with Specialty Dining. While you can enjoy terrific food in the main dining space of the ship as part of your cruise, every ship features specialty dining restaurants for an extra charge. The most important thing is to make sure you get the best value for your money based on your preferences and needs. No matter how much hype a phone gets, don't forget that you're the one who will have to rely on it on a daily basis. You probably don't want to switch carriers just to use a specific phone (or maybe you do). Caitlyn always deals full damage to trapped or netted enemies so it's important to try and hit Piltover Peacemaker before you Headshot on trapped or netted enemies. Many things have been bumpy in 2020, but these recent and upcoming smartphone releases have given us something to look forward to — at least for a while. CC0/Free-Photos/Pixabay A cruise is a great way to spend a vacation. Check the specs on storage space, battery capacity, camera quality and other features that matter to you. Photo Courtesy: David Becker/Getty Images News/Getty Images Fortunately, the 7.6-inch inner display is smooth and luxurious, and it's fast and capable enough that it could even replace your laptop when it comes to handling certain tasks. Whether this is your first cruise or whether you're an experienced cruiser, you can plan a cruise like a pro with a few tips. And those aren't what you want to deal with when you're purchasing a phone as pricey and unique as this one. If Samsung's smartphone predictions are on point, then the future is destined to be foldable. Its upgraded cameras are impressive, featuring True Depth and Deep Fusion image processing to combine multiple images into one for the crispest photos possible. The Gamer's Dream Phone Shortly after Samsung's new Galaxy Note 20 and Note 20 Ultra were announced, sales began on Samsung's newest stylus phones. Try a cruise to a destination you've never experienced before. With 8 GB of RAM and 128 GB of storage, the 8 Pro's operating system runs on an ultra-powerful Qualcomm Snapdragon 865 processor. The 21:9 CinemaWide 6.5" 4K HDR OLED display, motion blur technology and Dolby Atmos6 sound will beautifully showcase all the 4K HDR movies you record using features like Active Mode, SteadyShot and Slow Motion. You might also find it surprising that an iPhone appears with the designation of having great battery life, but the iPhone 12 really delivers here. To narrow your selection to the best option for your needs, you need to carefully consider a few key points. MORE FROM ASK.COM Some excursions take advantage of nature sights or aquatic fun, while others give you plenty of thrills. There's nothing wrong — and everything right — with paying less for a simple phone if you don't spend a lot of time using fancy extra features. By the time Piltover Peacemaker's animation finishes, you still have enough time to auto-attack the target to get the Headshot. The Note 20's camera is also designed to appeal to videographers and claims to feature the highest-resolution video recording capabilities available on a smartphone. Hitting an enemy expands the bullet, but reduces subsequent damage. If a phone is on the pricier side, be sure to do a little research to make sure all the features you're paying for are things you will actually use. Take advantage of last minute deals to save 50 percent or more. Photo Courtesy: Concepts/Phone/YouTube Now that the iPhone 12 is here, it's impressing tech editors and everyday users alike with its redesigned flat-edge screen that boasts Ceramic Shield technology — a formulation that provides four times the amount of drop performance that previous models had. Photo Courtesy: OnePlus The curved 6.78-inch QHD screen and 120Hz refresh rate make for a beautiful viewing experience when it comes to watching your favorite videos, scrolling through photos and gaming. Photo Courtesy: Don Arnold/WireImage/Getty Images In terms of functionality, make sure the phone you choose is capable of running your favorite apps, as some apps are limited to certain operating systems or even specific phone models. The ship is deserted, but all of the amenities and services are still available for anyone who is still on the ship. MORE FROM QUESTIONSANSWERED.NET Caitlyn fires a narrow piercing bullet that deals physical damage. Start by determining your price range. Try something you've never tasted before, learn more about a cuisine you're unfamiliar with or enjoy your favorite foods in a whole new setting. Capable of producing crisp, 8K video and equipped with pro-grade editing controls, the phone is definitely worth a look for budding cinematographers. Upgrade your accommodations and stay in a nicer room. It comes with hands-free Alexa access to help you make calls, play music and more, just by asking the virtual assistant to take care of it. Book a special shore excursion to do something you've never done before — or may never even have dreamed of doing. Best Newcomer Brand This year, OnePlus introduced its new 8 Pro, a smartphone packed with enough great features to become a viable competitor for Samsung's Galaxy S20 Plus. If you don't want to waste too much money on expensive alcohol, bring your own booze aboard the ship. If you're on a cruise with multiple stops, take one port day to stay on the ship. Even the most experienced cruisers may be clueless when it comes to making plans. You can find cruises for everybody: families, couples and even singles. Most of the time you can bring a bottle of wine aboard, or you can grab your favorite mixer, take it with you and order just the alcohol to create your own cocktails. Stay Onboard During a Port Day. When a cruise ship makes its way into port, almost everybody disembarks to enjoy a day on the town. You can try one specialty meal or enjoy multiple experiences. Its 120Hz refresh rate means there's virtually no motion blur in videos and apps, and the apps slide seamlessly from the smaller outer screen to the larger inner screen that lets you use the device like a traditional smartphone. The smartphone is also equipped with a 48MP quad-camera, 48MP ultra-wide angle camera, 5MP rear color filter and 16MP front camera, all of which deliver stunning photographs and videos take after take. Both models also come with Samsung's new S Pen. It won't do any good to fall in love with a phone that doesn't fit comfortably within your budget. From Apple's much anticipated iPhone 12 to breakout successes like Samsung's Galaxy Note 20 and the OneNote 8 Pro, some of the most impressive smartphones to date are poised to make the year a little better for everyone. If you're flexible and you can make plans at a moment's notice, you can really save some money. If You Don't Want to Spend Extra on Alcohol, BYOB. Most everything on a cruise is all-inclusive, but sometimes you'll find that alcohol is extra. With 16 built-in antenna pieces, losing your signal will become a worry of the past as well. Although releases of updated and new models typically come during certain times of the year, the ongoing coronavirus pandemic ended up pushing back the timelines somewhat. Plan to enjoy a formal night, especially if you've never been part of one before. This ability is really good when trying to clear/push minion waves and she can try and hit the enemy champions at the same time if aimed correctly. How to Choose the Perfect Smartphone If you're like many consumers, one of the biggest challenges when you want to upgrade your phone is deciding which phone to go with next. Equipped with ZEISS lenses, real-time Eye AF that works on both humans and animals, and new manual controls, the Xperia's camera is rumored to give the power of the iPhone 12 a run for its money. Photo Courtesy: Sony The Xperia Pro also comes with an HDMI input that allows you to connect to an actual camera and broadcast footage using 5G mmWave connectivity. It's always exciting when you're ready to upgrade your smartphone, and if you're an Apple iPhone or Samsung Galaxy fan, then you probably want with great anticipation to see what each new smartphone will offer. You can take advantage of special dining experiences to add more culinary fun to your travels. All in all, this phone is an attention-grabbing heavy hitter — even with its current price tag. It's almost like having the whole ship to yourself. Or you may consider branching out and seeing what other cruise lines have to offer. Editors at CNET report that, with the Z Fold2, Samsung has worked out many of the major kinks that plagued the original Z Fold, namely that the originals were far too fragile and had multiple failure points that caused different areas of the phone to break. Made with the toughest Gorilla Glass ever used on a smartphone, the Note 20 features a 6.7-inch display on the standard model or a 6.9-inch screen on its "Ultra" counterpart. You'll want to check out the cruise line's alcohol policy to make sure that you can bring what you want along with you.
