Name from letter h for boy

Finding out they're expecting a boy is an exciting discovery for any couple. However, choosing a name can be a tricky matter and often feels like a big responsibility. Some prefer to choose a classic moniker that never goes out of style, while others search for a name that's a little more unique. When searching through boy names, a great place to start is by finding out which names are popular with other new moms and dads. 1. Liam Liam is a shortened variant of the popular Irish name Uilliam, which is said to mean 'helmet of will'. It's also frequently used as a shortening of the name William. Liam could be the perfect name for a brave and determined little boy, as it means 'determined warrior and protector'. Liam is a name with Hollywood connotations, as it's the given name of several famous leading men. Famous A-listers called Liam include Liam Neeson and Liam Hemsworth. ljubaphoto / Getty Images Looking for a unique baby name? Good call. Research shows that parents who regret their choice of baby name say it's because their chosen name ended up being too popular. Whether you're looking for something cool or classic, biblical or just totally badass, we rounded up our favorite unique boy name picks for 2020 to help you avoid being a statistic. Top pick: CasperThis ancient name meaning "treasurer" is admittedly already popular in the Netherlands and Scandinavia, where it's sometimes shortened to Cas. But in the states, it has yet to take off, and we can't think of more hipster nickname than Cap, can you?Runners-Up:Browse More Hipster Baby Names Advertisement Advertisement Top Pick: WilderDefiaed as "to cause to lose one's way," this name is destined to belong to a very strong-willed little one. Although the name has not cracked the top 1000 list in the last 100 years, it is on the rise.Runners-up: Top Pick: JaxChoose any number of names with an "x" or a "z" and you're sure to set your kid apart on the playground. A modern twist on Jackson, Jax skips a traditional moniker and goes straight to cool nickname status.Runners-up: Advertisement Top Pick: OtisVintage grandpa names dubbed "old man" names have become especially popular for boys in the past few years. Yes, celebs like Olivia Wilde and Jason Sudeikis picked Otis for their son, but this name is still well outside of the top 100 coming in #739 in 2018 so it's still sure to be a unique pick.Runners-up: Top Pick: JettLanding at #304 on Nameberry's list of top baby names list in 2018, your son won't be in much danger of being one of many Jett's raising hands in kindergarten. This name comes from the black semi-precious stone (or you can go with jet engine if you're a lover of air travel).Runners-up: Top Pick: TitusOf Latin origin meaning "title of honour", Titus is definitely the name of kid destined to be standing on an Olympic podium with a gold medal around his neck. This name is being touted as a top name for boys in 2020, but it's no where near too popular yet.Runners-up: Advertisement Advertisement Top Pick: MillerThis last name option was popular at the turn of the 20th century, but fell out of favor from the 1940s until it reemerged a decade ago. Still, Miller is far out of the too popular range ranking #871 in 2018.Runners-up:Browse More Last Name Ideas for Boys Top pick: KitTraditionally short for Christopher or Katherine, Kit is definitely cool enough to stand on it's own as a short baby name pick for boys thanks to English actor Kit Harington of Game of Thrones Runners-up:Browse More Short Baby Names Top Pick: LazarusSteeped in Old Testament origin and meaning "God is my helper", Lazarus (or Laz for short) is the epitome of what's old is now oh-so cool.Runners-Up: Advertisement Top Pick: BowieScottish for blond, and identified with rocker David Bowie and Alamo hero Jim Bowie, this name also has never made the top 1000 list, but definitely carries a bad boy cache.Runners-up: Top pick: JasperColorful nature-themed bohemian baby names are among the most popular bohemian baby names around, and Jasper, which is a red, rust, or brown precious stone is climbing the charts (but not too much) in terms of popularity.Runners-up:Browse More Bohemian Baby Name Ideas Top pick: BenedictIf you're feeling especially grateful for a rainbow baby on the way, express it by choosing this unique boy name that means "blessing".Runners-up: Theodore, which means "gift from God" Amado, which means "beloved" Raiden, which means "thunder and lightning" Browse More Rainbow Baby Name Ideas Advertisement Top Pick: DiegoThis Spanish name is on the rise due to the fact that it goes well with last names of many origins, but it's still out of the top 100 list as of 2018.Runners-up: Osvaldo, means "ruler" or "God's power" Maximilian, , son of Jennifer Lopez and Marc Anthony Sancho, means "saint" Browse More Spanish Boy Name Ideas Top Pick: JosiahThis Hebrew name meaning "God supports, heals" is more unique spin on Joseph, but not so uncommon that people won't know how to spell it.Runners-up: Top pick: RemingtonLooking for a name with a little bit of southern swagger? With a shortened form of Remy, Remington works beautifully as a boy or girl name and invokes feelings of infamous cowboy gear.Runners-up:Browse More Southern Baby Names Advertisement Last names for boys' names have been a time-honored concept. Looking for a name that's cool now—and will still be cool for your kid when they're grown up? Give one of these picks a try. CNN anchor Anderson Cooper is perhaps the most famous person sporting this Scandinavian surname, currently in the top 300 picks for boys. Advertisement Advertisement Beckett, which means "bee hive," has been a celebrity baby name favorite since the turn of the century. British last name Brooks has been a top 1000 boys' name pick since the 1880s, and is currently on a slow and steady climb to the top of the charts. Advertisement Bryant shares it's origins—and meaning—with the similar name, Brian. Bryant means "strong and handsome." A popular Irish name, Connor means "dog lover." It's been a top 100 baby name pick since the early 1990s. This Irish last name has a charming meaning—"hero." Advertisement Advertisement Consider this last name as a nice variation on the standard David. It means "beloved." This Welsh surname is actually a variation of David, and means "beloved son." You can thank the popular teen drama Dawson's Creek for its sudden rise in popularity. Another Irish last name turned baby name is this charmer, which means "dark." Advertisement This sweet Irish surname is a great way to get that cool "Finn" nickname. It means "fair." The actual surname of Star Wars star Harrison Ford has been on a huge upswing in popularity since 2014. Harrison has long been one of the most popular last name baby names. It's currently just outside the top 100 baby names for boys. Advertisement Hayes first hit the big time when actor Kevin Costner chose it for his son—and actress Jessica Alba helped keep it in the limelight. The prolific author who brought us the classic dystopian novel Brave New World is the most famous bearer of this last name, a unique baby name choice for boys that's currently in the top 700 baby names. The late actor Heath Ledger may be behind the rise of this baby name, which jumped 140 spots in popularity last year. Advertisement This last name option was popular at the turn of the 20th century, but fell out of favor from the 1940s until it reemerged a decade ago. Consider this more offbeat option to honor a Samuel in your family tree—this name still has the same Biblical pedigree as its more common sibling. One of the more popular last names for boys is this occupational name, with ties to Mark Twain's classic character, Tom Sawyer. Advertisement Currently among the biggest movers and shakers on the baby name popularity list is this surname baby name option, most popularly known as Sherlock Holmes' sidekick. Watson moved up 309 spots to make it just outside the top 700 baby names for boys. Forget about the volleyball-turned-companion from the Tom Hanks film Castaway. Wilson can be a cool way to honor a William in your family without picking that perennial top 20 favorite. If you like to imagine your grown-up child standing up for the princess in his life and battling wickedness, this is the right name list for you. Disney characters have long been associated with wholesomeness, morality, and kindness—wonderful personality traits for any person to have. But be careful, we've thrown a few villains' names into the mix, too. Meaning: Nobility of faith Aladdin is the male hero in Aladdin. He falls in love with Jasmine and must learn a lesson about being true to oneself. Bagheera is the panther companion in The Jungle Book. Meaning: From the word tritos meaning "of the third" King Triton is the ruler of the merpeople and Ariel's father in The Little Mermaid. Meaning: Row of houses by the Woods Woody is the cowboy doll in the Toy Story, series. We're kicking off our new In Name Only feature this week by helping reader Nicole with a very timely dilemma—finding a boy's name just before she's due. Here's her question: Need a boy's name. We didn't find out the sex, baby is due in two weeks and still no boy's name. We tossed around Austin, Logan, Jude, Zander. I hate Zander (hubby loves it so I thought it could be added to the list). I like the other three but I don't love them... Any ideas? I actually love all four of the names that you've chosen, but I can give you a few other alternatives to add to your list. Based on the names you've chosen, I'm figuring you want shorter names (one or two syllables), and you like that ending "n." What about a name like Brandon, Nolan or Kieran? All are names that have a bit of uniqueness to them (they currently rank number 47, 93 and 475, respectively), but without being so out there that your kid risks bullying over them. And I know you weren't a big fan of Zander, but if you're looking for a two-syllable name that ends in -er, try on Dexter (a white-hot name currently in England), Oliver (yeah, it has an extra syllable, but it's still an awesome choice), Trevor or even Jasper. Nicole, let us know how everything goes—and what you ended up naming your little one! What do you think of Nicole's short list (and my additions to it)? If you have a baby-naming dilemma you want to share with me, please feel free to put it in the comments below, or e-mail me at lamibrand AT gmail.com. Photo: Question mark by PZ Designs / Shutterstock.com Boys' baby names and girls' baby names aren't always so black and white—and in fact, monikers often shift sides over the generations. Check out these names that once were strictly for the boys, before they became associated, big-time, with girls. Giving a baby girl a traditional boy baby name has been a thing for centuries—long before the recent celebrity trend of naming girls 'James'. In fact, it's been so prevalent that some "boy" baby names have crossed the aisle completely, and are now squarely associated with girls (at least for now). Among them: Ashley If you're a fan of Margaret Mitchell's sweeping Old South epic Gone With the Wind you know that Scarlett spends most of the book pining after the dashing boy next door Ashley. But by the 1960s, the dashing English name that means "by the ash trees" had become more popular for ladies—and it even became the top name for girls in the early 1990s. Avery It took a long time for Avery to cross over to the ladies' side—it finally hit the majority for girls in the late 1990s. While it's still in the top 200 names for boys, it's currently a top 15 name for girls. Allison It's hard to believe that there was a time when this name was big for boys, but through the 1930s it was in the top 1000. It started its run for the top in the 1940s for girls, and has been a top 100 favorite since the 1970s. Aubrey Now a top 20 name for girls, Aubrey, which means elf ruler, was more popular for boys through the 1970s. Beverly It's been more than a century since Beverly was considered a boys' name—which is why you may not see any men sporting it until way back in your family tree. It's currently also outside the top 1000 for girls at the moment, but could be ready for a comeback. Blair You can thank 1980s sitcom Facts of Life for helping to tip the scales toward the girls' side for this lovely Scottish name. After its premiere, Blair was solidly a girls' name, currently in the top 700 names. Carol This variation on Charles used to be a boys' name—in fact, Pope John Paul II was born Karol. But it became a girls' name before the turn of the 20th century, and quickly became the one of the most popular in the 1930s and 1940s. Dana The tipping point for this name came in the 1950s, which explains why men like Dana Carvey still bear it—along with women like Queen Latifah. It's a charming name that means "from Denmark." Darcy Darcy's claim to fame may be Jane Austen's dashing nobleman hero from Pride and Prejudice, but the name has been squarely in the girls column since the 1940s. Gale Despite the fact that Katniss's BFF/love interest in The Hunger Games sported this once manly name, which means "my father rejoices," it's still 100 percent for the girls in current times. Hilary This Greek name means cheerful, and was a boys' name until the mid 1940s—and now is famously linked with former First Lady/Secretary of State and current Presidential candidate, Hillary Clinton. Lindsay Thanks to troubled celebrity Lindsay Lohan, the name is falling out of favor for girls, too, but it lost curry for boys back in the 1960s. It means "island of linden trees." Lynn This common middle name for girls has a poetic meaning—lake—and was a boys' name until the 1940s, when it went to the girls' side for good. Meredith This sweet name, which means "great ruler," was one of the very first crossovers—it headed to the girls' side permanently back in the 1920s. Morgan Actress Morgan Fairchild helped popularize this name, which means ocean, back in the 1990s. It's currently just outside the top 100 names for girls. Quinn This Celtic name with a regal meaning—ruler—is actually still relatively popular for boys, but more girls were given it recently, thanks to the queen bee of the McKinley High cheerleading squad on Glee. Reagan It may mean "little king," but Reagan has been more popular for girls since the 1970s, thanks to spooky classic The Exorcist. (The Shakespeare King Lear tie-in doesn't hurt, either.) Sandy Sandy shifted from boys to girls during the 1930s—right around the time the lead character from the musical Grease would have been born. It's usually a nickname for Sandra. Sydney The Australian capital was a popular boys' name until it crossed permanently to the girls' side in the 1940s. Taylor Given the popularity of Taylor Swift, expect that this one-time boys' stalwart will remain on the girls' side permanently. Vivian While still sometimes used for boys in England, this Latin name that means "life" is only for girls in the U.S. Whitney While Whitney started going to the boys in the 1960s, it permanently crossed the aisle in the early 1970s—and pop diva Whitney Houston has sealed the deal.
