FARMING SIMULATOR 20 (mod, unlimited money) - The continuation of the popular series of agricultural simulations. It is worth noting that this franchise has acquired a huge popularity not only among the fans of the collection grain, but also among the fans of serious simulators. And so, this part has preserved all the characteristic elements of the previous parts: realism, physical model, excellent graphics and detailed recreation of the process. In the same Agriculture Simulator 20 Mod APK has even more machinery models, this time there are more than one hundred, higher opportunities for choosing crops, machinery companies, animals and more. It is also worth noting that the economic model has been aimed at this project, so that in addition to agricultural activities it will have to pay attention to market relations. Updated to version 0.0.0.77! Agriculture Simulator 21 APK - You'll see many recommended fields to plant grass and wheat next to vegetables. It is also available for livestock, wool and milk production. The main task is not regular, it is advisable to plow each plot, then sow and wait for the harvest to be matured. This is where you need a combined harvester. Any technique would appreciate the reality, for example, the harvester is just the best for cereals, it cannot cope with watermelon. For corn, it's better to buy the right equipment. To provide hay to animals, first wait for the grass to grow, then cut it, do bales and deliver it to the farm. Agriculture Simulator 21 apk Farming Simulator 21 APK is a farm simulator developed by the Giants program. The game is more than a comedian and has a difficult speech mechanic almost ridiculous. This simulator is not a "simulator" as a hand or a goat simulator. What does this car look like? The game is graphically impressive and allows the player to cultivate crops, buying machines, farm animals and more. The Farming 21 simulator is not for everyone, but players looking for Zen to control corn and other crops will be satisfied. You need to participate in new video games. Every two hours of hours every two weeks a player is preparing to stay calm with the game and pass through several updates. The developers ask for more games, which means that they will still need more time. The average duration of a 60 hour campaign is agriculture. The idea is that the player should spend hours avoiding the main story, looking for a lot of things and get the best information. The care of the Agriculture Simulator 21 Apk The Farming Simulator Brand took a huge step towards attracting players by adapting gameplay and visual dive adapting effects. Players will be responsible for hundreds of vehicles and agricultural equipment, all seriously made according to the most iconic brands sector. Includes the world's largest producer of agricultural machinery, launched for the first time: John Deere Drasta of cattle, sheep, pigs, chickens and other animals and for the first time feeding the horse riding in the vast country open around the farm and Explore the various agricultural activities in the open world of online gamers develop your agricultural career with 16 players and share your agricultural experience through the modules created by the Community.
